

Serial No: 10/806,742

Attorney Docket No.: 1999-0148A CON

REMARKS

Claim 4 was indicated to contain allowable subject matter. This claim has been rewritten independent form and is thus believed to be in condition for allowance.

All other claims have been canceled. Applicants do not intend such cancellation to be an indication that applicants agree with the basis of their rejection. Applicants, rather, would prefer to obtain an issued patent containing claim 4, keeping open the option to file a continuation application to pursue the canceled claims or claims that are similar.

Respectfully submitted,

Angela L. Chiu et al
